

Region 2 Spring Regional Meeting
Wednesday, March 15, 2017 10 am – 2 pm
Emmetsburg VFW

The meeting began at 10:10 am.

A welcome and CDI update was delivered by Brain Waldstein, Region 2 Alternative Director. The updated covered submitted resolutions, current legislative happenings and upcoming dates of importance.

Conservation Districts of Iowa, Natural Resources Conservation Service, the Iowa Department of Agriculture and Land Stewardship – Division of Soil Conservation and Water Quality and the Iowa Department of Natural Resources delivered the presentation, “Water Quality”. The presentation described current national, state and local programs, projects, policies, practices and funding related to water quality. Along with the update it offered opportunities for commissioners to engage with or start local water quality efforts.

The State Soil Conservation Committee and the Iowa Department of Agriculture and Land Stewardship-Division of Soil Conservation and Water Quality delivered the presentation, “State of the State”. The presentation provided information on SSCC activities, resolutions, ranking and generating demand for cost share projects, leading locally, state financial assistance programs, strengthening District financials, awards and the state budget.

Kurt Simon, State Conservationist with the Natural Resources Conservation Service delivered agency updates during “NRCS Notifications”. With this presentation Kurt spoke about the nearly 100 NRCS staff anticipated to start after the hiring freeze due to retirements and backfilling. Kurt shared the impact commissioners had on him when he started with NRCS and asked commissioners to take new staff under their wing. He emphasized that commissioners have a unique experience to shape the future of conservation in Iowa by mentoring new staff.

The meal was served.

Palo Alto SWCD - Bruce Nelson presentation. Farming in Palo Alto County, Bruce will go back through his family’s history here and what each side has made for improvements throughout the years. He will liken this to his experience of playing football from High School through professional ball, including a Super Bowl game! Bruce is a motivational farmer, who’s excited about what he can do to make soil, air, water and habitat better for future generations to come.

Catherine DeLong, Water Quality Specialist with Conservation Districts of Iowa delivered the presentation, "How to Sell Conservation" which included information from Lyons Creek Social Assessment, sales training from DuPont Pioneer and the National Wildlife Federation's Guide to Cover Crop Messaging. The key take aways were: Listen, Build a relationship and Lead by example to grow conservation in Iowa.

Clare Lindahl, Executive Director with Conservation Districts of Iowa delivered details on the 2017 Iowa Commissioners Conference to be held in conjunction with National Association of Conservation Districts Summer Forum and Tour, July 17 and 18 at Prairie Meadows Hotel and Conference Center in Altoona. She encouraged commissioners to attend for the opportunity to showcase Iowa, hear from national leaders and speak with commissioners from all around the United States.

Q & A and discussion was held.

The meeting adjourned at 1:50 p.m.

Meeting notes submitted by: Alea Spears, CA, Palo Alto SWCD/NRCS
