

Join Us at a Cover Crop "Caravan" Field Day!

Join Practical Farmers of Iowa and our farmer hosts at a spring cover crop-focused field day near you! Many of these field days include stops at multiple farms or locations. Network with fellow farmers as you "caravan" to each stop; and learn more about spring grazing and a range of cover crop issues.

These field days are **FREE**, open to everyone and **each starts with lunch**. **Please RSVP** to Alisha Bower, alisha@practicalfarmers.org or (515) 232-5661. **Visit** practicalfarmers.org for more details.

* **TUESDAY, MARCH 28 • Noon – 3 p.m.**
