What: The Sioux County Soil and Water Conservation District will be hosting a Conservation Ag Fair at Sandy Hollow in Sioux Center from 10:00am to 1:00pm on Friday, June 22nd. Bring the whole family and enjoy **Water Rocks activities** for the children and Sandy Hollow's various amenities. **Booths** will be setup and **equipment on display** to provide farmers an opportunity to see all the great resources available to them in one convenient location. Applications will also be available to sign up for cover crops, low disturbance manure, and other conservation practices. **Lunch will be provided!**

When: Friday, June 22nd from 10:00AM to 1:00PM (*Lunch served at noon*)

Where: Sandy Hollow Recreation Area 3395 400th St Sioux Center, IA 51250

WE HOPE TO SEE YOU THERE!

(Sandy Hollow park passes will be waived and are not required for this event)
